

# KDLinX

KDLinX provides a new technology solution for easy access to the measurement data, camera live video and PC display.

You can:

- watch the live video from PC, smart phone, or tablets.
- check the video recorded in our KDLinX cloud server.

The new technology that allows the camera recording / delivery at a low cost

## Set up in minutes

Connect devices with your network. Open a free account, and everything is fixed.  
Auto-reconnect wherever and whenever the internet connection is available.

## View it later

Cloud server records videos up to 7 days. ( vary with member plan)  
Receive alarm notification of any suspicious motion by email, SMS

## Various Input

- Live videos from Network camera, PC display, as well as smart phone camera.
- Smart input and output modules
- Upload video files
